Jong Ho Hong
Gyeongju-si,
Gyeongsangbuk-do,
Republic of Korea

Jong Ho Hong is currently General Manager of the Nuclear Fuel Cycle Management Section of Korea Hydro & Nuclear Power Co., Ltd. ("KHNP") in Korea. Mr. Hong has substantial professional expertise developed through working in the nuclear industry and has held various positions at KHNP, including his prior positions as Senior Manager in each of the Spent Fuel Section and the Shin Kori Unit 1,2 Reactor Engineering Section.

Mr. Hong holds a Masters degree in Nuclear Engineering from Hanyang University.

Denison Board Details:

- Director since March 27, 2024
- Not independent

David Neuburger
Saskatoon, SK
Canada

David Neuburger is a corporate director and consultant, with more than 30 years' experience in mining, in executive leadership, operations management, corporate strategic planning, projects and mine engineering for companies involved in uranium, gold, nickel and copper/zinc mining. From 2013 to 2018, Mr. Neuburger was Vice President, General Manager, Kupol Operations for Kinross Gold Corporation; prior to that, he held the positions of Vice President, International Mining (2010 to 2013) and Vice President, Mining Division (2004 to 2010) for Cameco Corporation. Mr. Neuburger has also volunteered as President and in other executive committee roles with the Saskatchewan Mining Association.

Mr. Neuburger is a Professional Engineer registered in Saskatchewan and holds a Master of Business Administration degree from the University of Saskatchewan and a Bachelor of Engineering degree in Mining and a Bachelor of Science degree in Biology from McGill University.

Denison Board Details:

- Director since May 6, 2021
- Independent
- Chair of the Technical Committee
- Member of the Environment, Health, Safety & Sustainability Committee

Laurie Sterritt
Vancouver, BC
Canada

Laurie Sterritt is CEO and Managing Partner of Pathways Executive Search, an executive search firm in Canada. Previously, Ms. Sterritt served as Managing Director of Leaders International. In 2018, Ms. Sterritt formed a non-profit association to launch the first-of-its-kind Indigenous Women’s Leadership Summit (IWLS), with a mandate to inspire and uplift Indigenous women throughout their personal and professional journeys. Prior to that, Ms. Sterritt developed and implemented the Indigenous Employment and Business Development strategy for BC Hydro and led the start-up and growth of the Aboriginal Mentoring and Training Association (AMTA) and its subsidiary social enterprise, First Resources Impact Ventures (FRIV).

Ms. Sterritt is a member of the Kispiox Band of the Gitksan Nation and has been recognized for her commitment to creating respectful and inclusive workplaces and, most notably, was a nominee for the 2013 YWCA Women of Distinction Awards. Ms. Sterritt has held several board positions in the past, including Director for the Canadian Centre for Arts and Technology (CANCAT), Governor for the British Columbia Institute for Technology (BCIT) and Council Member on the Real Estate Council of BC. Ms. Sterritt holds a Bachelor of Commerce from the University of British Columbia and a Certificate in Professional Fund Raising from the University of Indiana.

Denison Board Details:

- Director since January 31, 2022
- Independent
- Member of the Corporate Governance & Nominating Committee
- Member of the Environmental, Health, Safety & Sustainability Committee

Jennifer Traub
Vancouver, BC
Canada

Jennifer Traub is a partner in the Securities Group at Cassels Brock & Blackwell LLP and serves as Co-Chair of the firm’s Mining Group. Ms. Traub represents both issuers and investment dealers in connection with public and private securities offerings, mergers and acquisitions and other financing transactions. She has particular expertise and experience in the resource sector and has played an integral role in managing some of the largest and most complex corporate finance and M&A deals in the mining industry in Canada. In addition to transactional work, Ms. Traub regularly advises public companies regarding general corporate and securities law matters, including continuous disclosure, corporate governance and Canadian stock exchange issues.

Ms. Traub has completed the Osgoode Certificate in Mining Law and holds a Bachelor of Laws degree from Osgoode Hall Law School. She is a member of the Law Societies of BC and Ontario.

Denison Board Details:

- Director since May 6, 2021
- Independent
- Member of the Compensation Committee
- Member of the Corporate Governance & Nominating Committee

Patricia M. Volker
Burlington, ON
Canada

Patricia Volker is a corporate director, whose experience is highlighted by over 17 years of service at the Chartered Professional Accountants of Ontario, the self-regulating body for Ontario's Chartered Professional Accountants, including the roles of Director of Standards Enforcement and Director, Public Accounting and Special Projects. Ms. Volker served in various capacities in the accounting profession during her 30+ year career and brings a wealth of advisory, public accounting, banking and regulatory expertise to the Denison Board. Ms. Volker is also on the board, and serves on committees, for each of Ornge and Burlington Hydro Inc.

Ms. Volker is a CPA, CA and CMA, holds the ICD.D. designation and earned a B.Sc. from the University of Toronto.

Denison Board Details:

- Director since August 9, 2018
- Independent
- Chair of the Audit Committee
- Chair of the Compensation Committee
- Sole director on the Company's SOX Steering Committee
