Dear Quenton

The 42nd Wawa Salmon Derby was once again a huge success. 306 healthy salmon were weighed in with the top 20 all weighing above 26 pounds. Participants came from Northern and Southern Ontario, Michigan and BC

Thank you for your generous support of the 2024 Wawa Salmon Derby. Your donation of \$2000.00 toward the largest salmon weighed in was won by Dawson Bernath of Hawk Junction with a fish weighing 35.10 pounds.

Next year the Wawa Salmon Derby will be celebrating its 43rd Anniversary on August 22nd, 23rd and 24th, 2025. We hope that you will once again consider sponsoring Wawa's Superior Sporting Event. We look forward to your ongoing support.

Thank you again
