

# Our Community

Fostering open, honest, transparent and respectful partnerships

Troilus is located in the Eeyou Istchee James Bay region of northern Quebec and enjoys an open, honest, transparent and respectful dialogue with the provincial and regional governments and the local communities of Mistissini, Chibougamau and Chapais.

At Troilus, our objective is to contribute to the social and economic development of sustainable communities associated with our operation to ensure a legacy of improvement that will continue beyond the life cycle of the mine.

We strive to maintain open and honest dialogue with representatives of our local communities to hear their advice and feedback as stakeholders in the development of the Troilus mine.
